**JOINT STATUS REPORT**

Per the September 8, 2016 Case Management Conference in the above-referenced matter, End-Payer Plaintiffs, Direct-Purchaser Plaintiffs, and all Defendants (the “Parties”) respectfully submit this Status Report and a Joint Proposed Pretrial Order No. 5 for the Court’s consideration, attached hereto as Exhibit A. The Parties have reached agreement on, and the Joint Proposed Order addresses: (1) the timing for filing of the Consolidated Class Action Complaints (“CCACs”) by each plaintiff group; (2) the timing for motions regarding and answers to the CCACs; (3) the timing for negotiation and submission of discovery-related protocols; and (4) a provision regarding service and service of process.

The Parties have been unable to reach agreement on the appropriateness, timing and potential scope of discovery prior to adjudication of any motions to dismiss that will be filed and all Parties have reserved their rights on that issue.
